

**REMARKS PRIOR SUBMITTED AS PART OF MARCH 20, 2006 AMENDMENT**

Applicant notes with appreciation of the Examiner's indication that Claims 1-11 would be allowable.

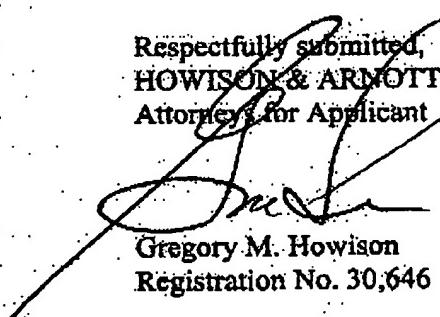

Claims 42 and 43 stand objected to for various reasons. However, these were incorrectly made dependent upon Claim 1, whereas they should be dependent upon Claim 41. These Claims have been cancelled.

Claim 41 stands rejected under 35 U.S.C. § 251 as being an improper recapture of broadened claim subject matters rendered in the application for the patent upon which the present reissue is based. This claim has been cancelled.

Claim 1 and Claim 4 has been amended to make the last portion hereof consistent with the remaining part of the Claim(s).

Applicant has now made an earnest attempt in order to place this case in condition for allowance. For the reasons stated above, Applicant respectfully requests full allowance of the claims as amended. Please charge any additional fees or deficiencies in fees or credit any overpayment to Deposit Account No. 20-0780/PHLY-25,478 of HOWISON & ARNOTT, L.L.P.

Respectfully submitted,
